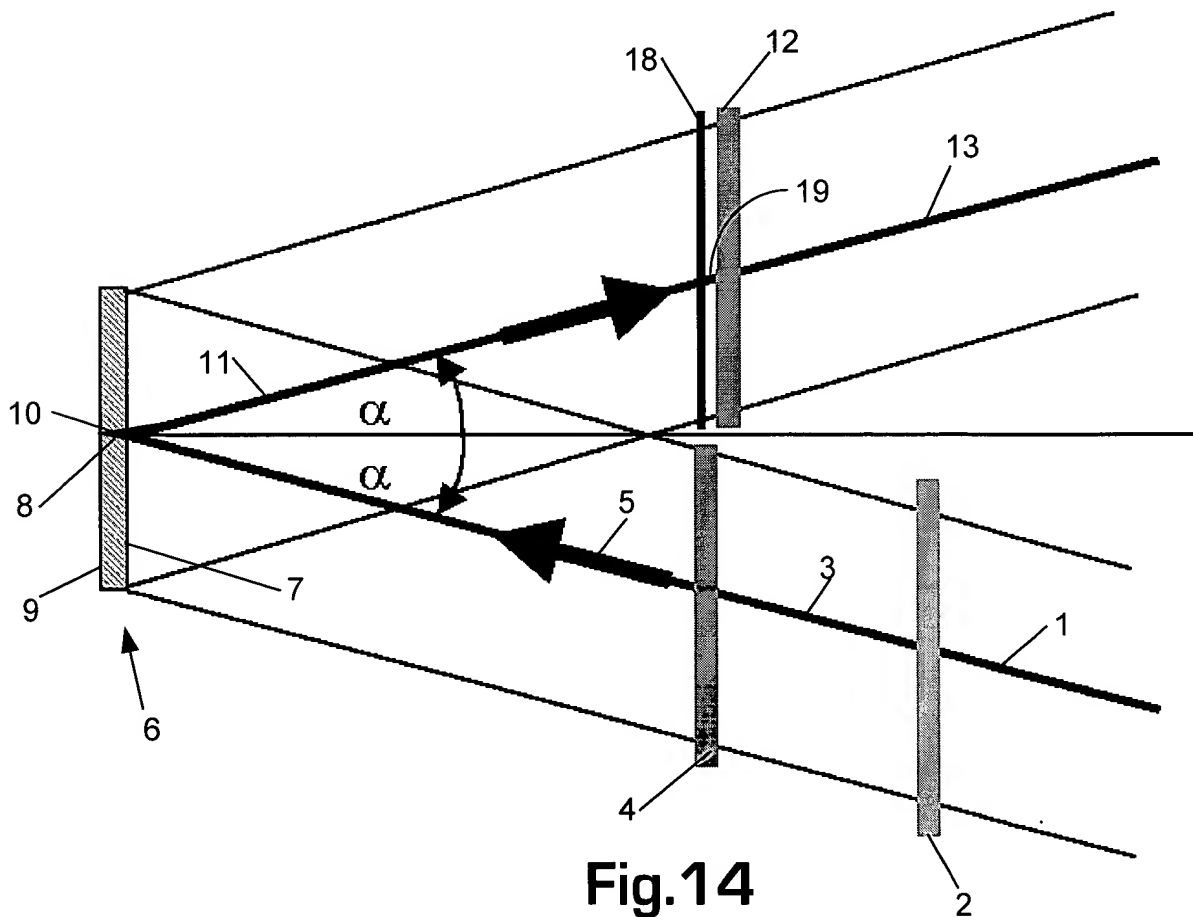

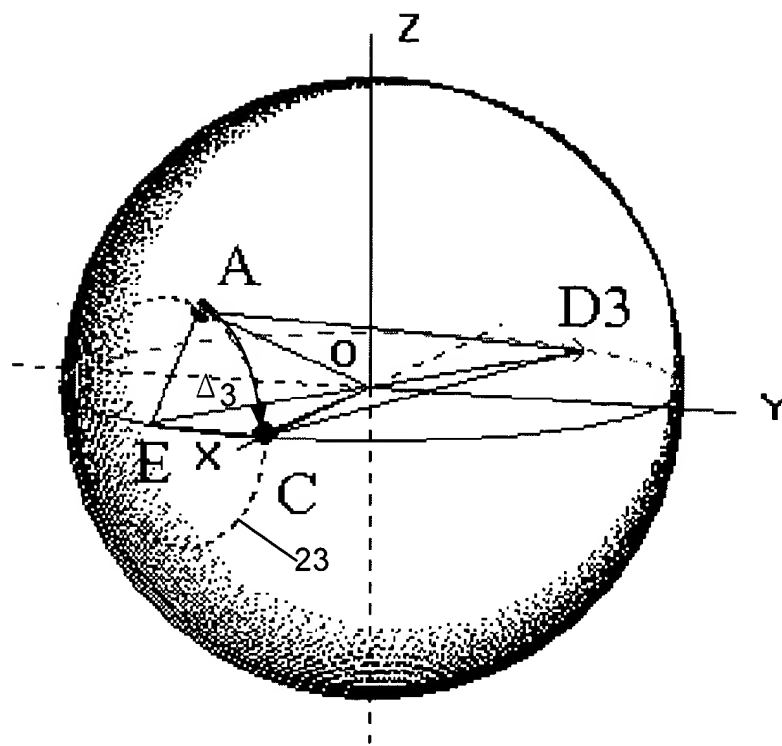

Fig.14

A circular radar plot with four data series: 200, 400, 600, and 800. The plot is oriented with 'UP' at the top, 'DOWN' at the bottom, 'LEFT' on the left, and 'RIGHT' on the right. The grid consists of concentric circles and radial lines. The data series are plotted as lines with markers, showing a central diamond shape with lines radiating outwards.
